

US Tax Deductibility Payment by Credit Card

Secure Donations - via Philanthropic Ventures (and Generosity in Action)

Taxpaying Americans can make donations to Chipembele via Philanthropic Ventures Foundation (PVF) which is a US registered 501 (c) 3 organisation that works with Generosity in Action (GIA) another 501 (c) 3 organisation. Donors are thereby able to claim the US tax deductions.

Philanthropic Ventures Foundation (PVF) uses the secure Groundspring portal (which also has 501 (c) 3 status) and lists Generosity in Action (GIA) as a "project" this is the target to donate to - you must write Chipembele or CWET in the note field for us to receive your donation.

We apologise for the number of steps, however we are very grateful that PVF and GIA are willing to assist us to give you the opportunity for a tax deductible donation!

The steps to ensure your payment goes to Chipembele.

1. Open the secure PVF/ Groundspring donations portal page
<https://secure.groundspring.org/dn/index.php?aid=12832>
2. Indicate the amount you wish to donate
3. Indicate the frequency ie. Once or recurring.
4. Go to "Support one of PVF's Designated Funds" - indicate Generosity in Action
5. Go to "Add a further designation for your gift" - type Chipembele or CWET in the note field.
6. Fill in your details and credit card information

Please note: that there is a 3% administrative fee to Groundspring for Internet transactions.

Once a donation is received at PVF you will be sent a confirmation letter indicating that Generosity in Action/PVF is a 501(c) 3 charitable foundation and that the donation is tax deductible in the US.

For more information about these organisations visit their websites:

Philanthropic Ventures <http://www.venturesfoundation.org/>

Generosity in Action <http://www.generosityinaction.org>

Payment by Credit Card or Pay Pal

Secure Donations - If no tax deductibility is required

If you do not wish to claim tax deductibility for your donation in the US please make your donation here:

<http://www.justgiving.com/chipembele>

Thank you for your assistance!
